## product summary

It's believed that nearly 90% of women and 10% of men will suffer from cellulite at some point in their lives. Cellulite creates unsightly, dimpled skin, and is one of the hardest types of fat to lose.

Most common around the thighs and buttocks, cellulite can be found on the breasts, abdomen, and upper arms as well. Weight gain may make cellulite more noticeable, but even women who are otherwise slender and fit can have cellulite. It's most common in adult women, and becomes even more common with aging as estrogen levels decrease and the skin loses elasticity.

Tone Smoothing & Firming Cream is a lightweight, non-greasy formula in a luxurious lotion base that includes Aloe Vera Leaf Juice Powder, Hemp Seed Oil for its incredible moisturizing properties, antioxidant-rich Black Seed Oil that contains both Omega-3 and Omega-6 fatty acids, and essential oils known to be helpful in reducing the appearance of unsightly cellulite. Perfect for daily use after your shower or bath.

## ingredient highlights

**Hemp Seed Oil:** Reputed to be the most unsaturated oil derived from the plant kingdom, Hemp Seed Oil is a great moisturizer for dry, cracked skin without being so heavy that it clogs pores. It's rich in plant-based phytonutrients and anti-aging antioxidants like Vitamin E which can help reduce the appearance of stretch marks and cellulite when used regularly.

**Black Seed Oil:** Used in skincare routines, beautifying baths, and medicinal applications for thousands of years, Black Seed Oil has strong antioxidant and anti-inflammatory properties. It can promote repair and regeneration of the skin, giving a smoother, clearer complexion. It also helps keep the skin elastic while fighting damaging free radicals.

**Pink Grapefruit:** Like many citrus oils, Pink Grapefruit has a unique "fat dissolving" characteristic, and is well known for reducing cellulite. Additionally, the pleasing aroma has laboratory-confirmed appetite reducing effects.

**Juniper Berry:** Known for promoting elimination of uric acid and helping to ease pain from gout and arthritic or rheumatic conditions, Juniper Berry is a powerful purifier to assist with hemorrhoids, menstrual issues, cellulite, lymphatic drainage, and fluid retention.
