PRODUCT INFORMATION PAGE

application

Topical • Neat

safety group #4

ingredients

Helichrysum italicum (Helichrysum), Eugenia caryophyllata (Clove Bud), Rosmarinus officinalis ct. cineole (Rosemary ct. 1,8 cineole), Origanum majorana (Marjoram, sweet); Gautheria fragrantissima (Wintergreen), Calophyllum inophyllum (Tamanu), Cocos Nucifera (Fractionated Coconut)

ingredient highlights

- **Helichrysum** is the first choice for its anti-hematoma properties, with the ability to reduce inflammation and assist vascular dilation, it is an excellent aid for circulatory issues. Like Geranium, it can stop bleeding quickly and promote quick and powerful wound healing. Helichrysum is particularly effective on broken or varicose veins as well as bruising and hematomas from injuries to the skin.*
- **Clove Bud** has an impressive range of action against pathogens and illnesses of all kinds. Clove Bud is an excellent antiseptic, bactericide, and viricide.*
- **Rosemary ct. 1,8 cineole** essential oil has the highest hydrogen content of any plant in the plant kingdom, which explains its strong, warming effect. Applied externally, Rosemary cineole essential oil assists the body with warmth and blood circulation.*

product summary

A wonderful healing blend, Trauma Relief is an excellent synergistic blend when assisting and supporting the body with arthritis and rheumatic concerns, sports injuries, back pain, or pain and inflammation resulting from injured or overworked muscles, tendons, ligaments, etc. Trauma Relief will help provide relief from bumps, bruises, and everyday mishaps from fingers slammed in doors to bumps on the head to stubbed toes.*

Trauma Relief contains Essential Oils which are well documented for their ability to relieve pain, reduce swelling, and prevent bruising, even in severe cases. It is particularly helpful before and after working out, participating in sports, performing strenuous activities, or just playing too hard.*

Many happily surprised users report that they no longer need their OTC pain relievers after using Trauma Relief.*

uses

- Apply neat or mixed with carrier oil directly to tired, overworked muscles to relieve weariness or aches and pains. Warm or cool compresses may be applied to enhance therapeutic benefits.*

responsible cautions

- Non-toxic, non-irritant, non-sensitizing.
- May increase the effect of anticoagulant drugs.
- Not recommended for those facing major surgery, suffering from hemophilia or other bleeding disorders, during pregnancy, while breastfeeding, with young children, or those with salicylate sensitivity.
- Keep out of reach of children and pets.
- If you are pregnant, nursing, or under a doctor's care, consult your healthcare provider prior to use.
- Store away from sunlight, at room temperature, with the lid securely tightened.
