MEMBER REWARDS

MRP Program

We appreciate our customers and their loyalty to our products! The Member Rewards Program (MRP) was created to show appreciation for you, our loyal customers!

The Member Rewards Program is an optional, monthly Auto-Delivery rewards program that enables members to receive free product points for monthly Auto-Delivery purchases.

How It Works

1-3 Months	4-6 Months	7-9 Months	10-12 Months	13-15 Months	16+ Months
5%	10%	15%	20%	25%	30%

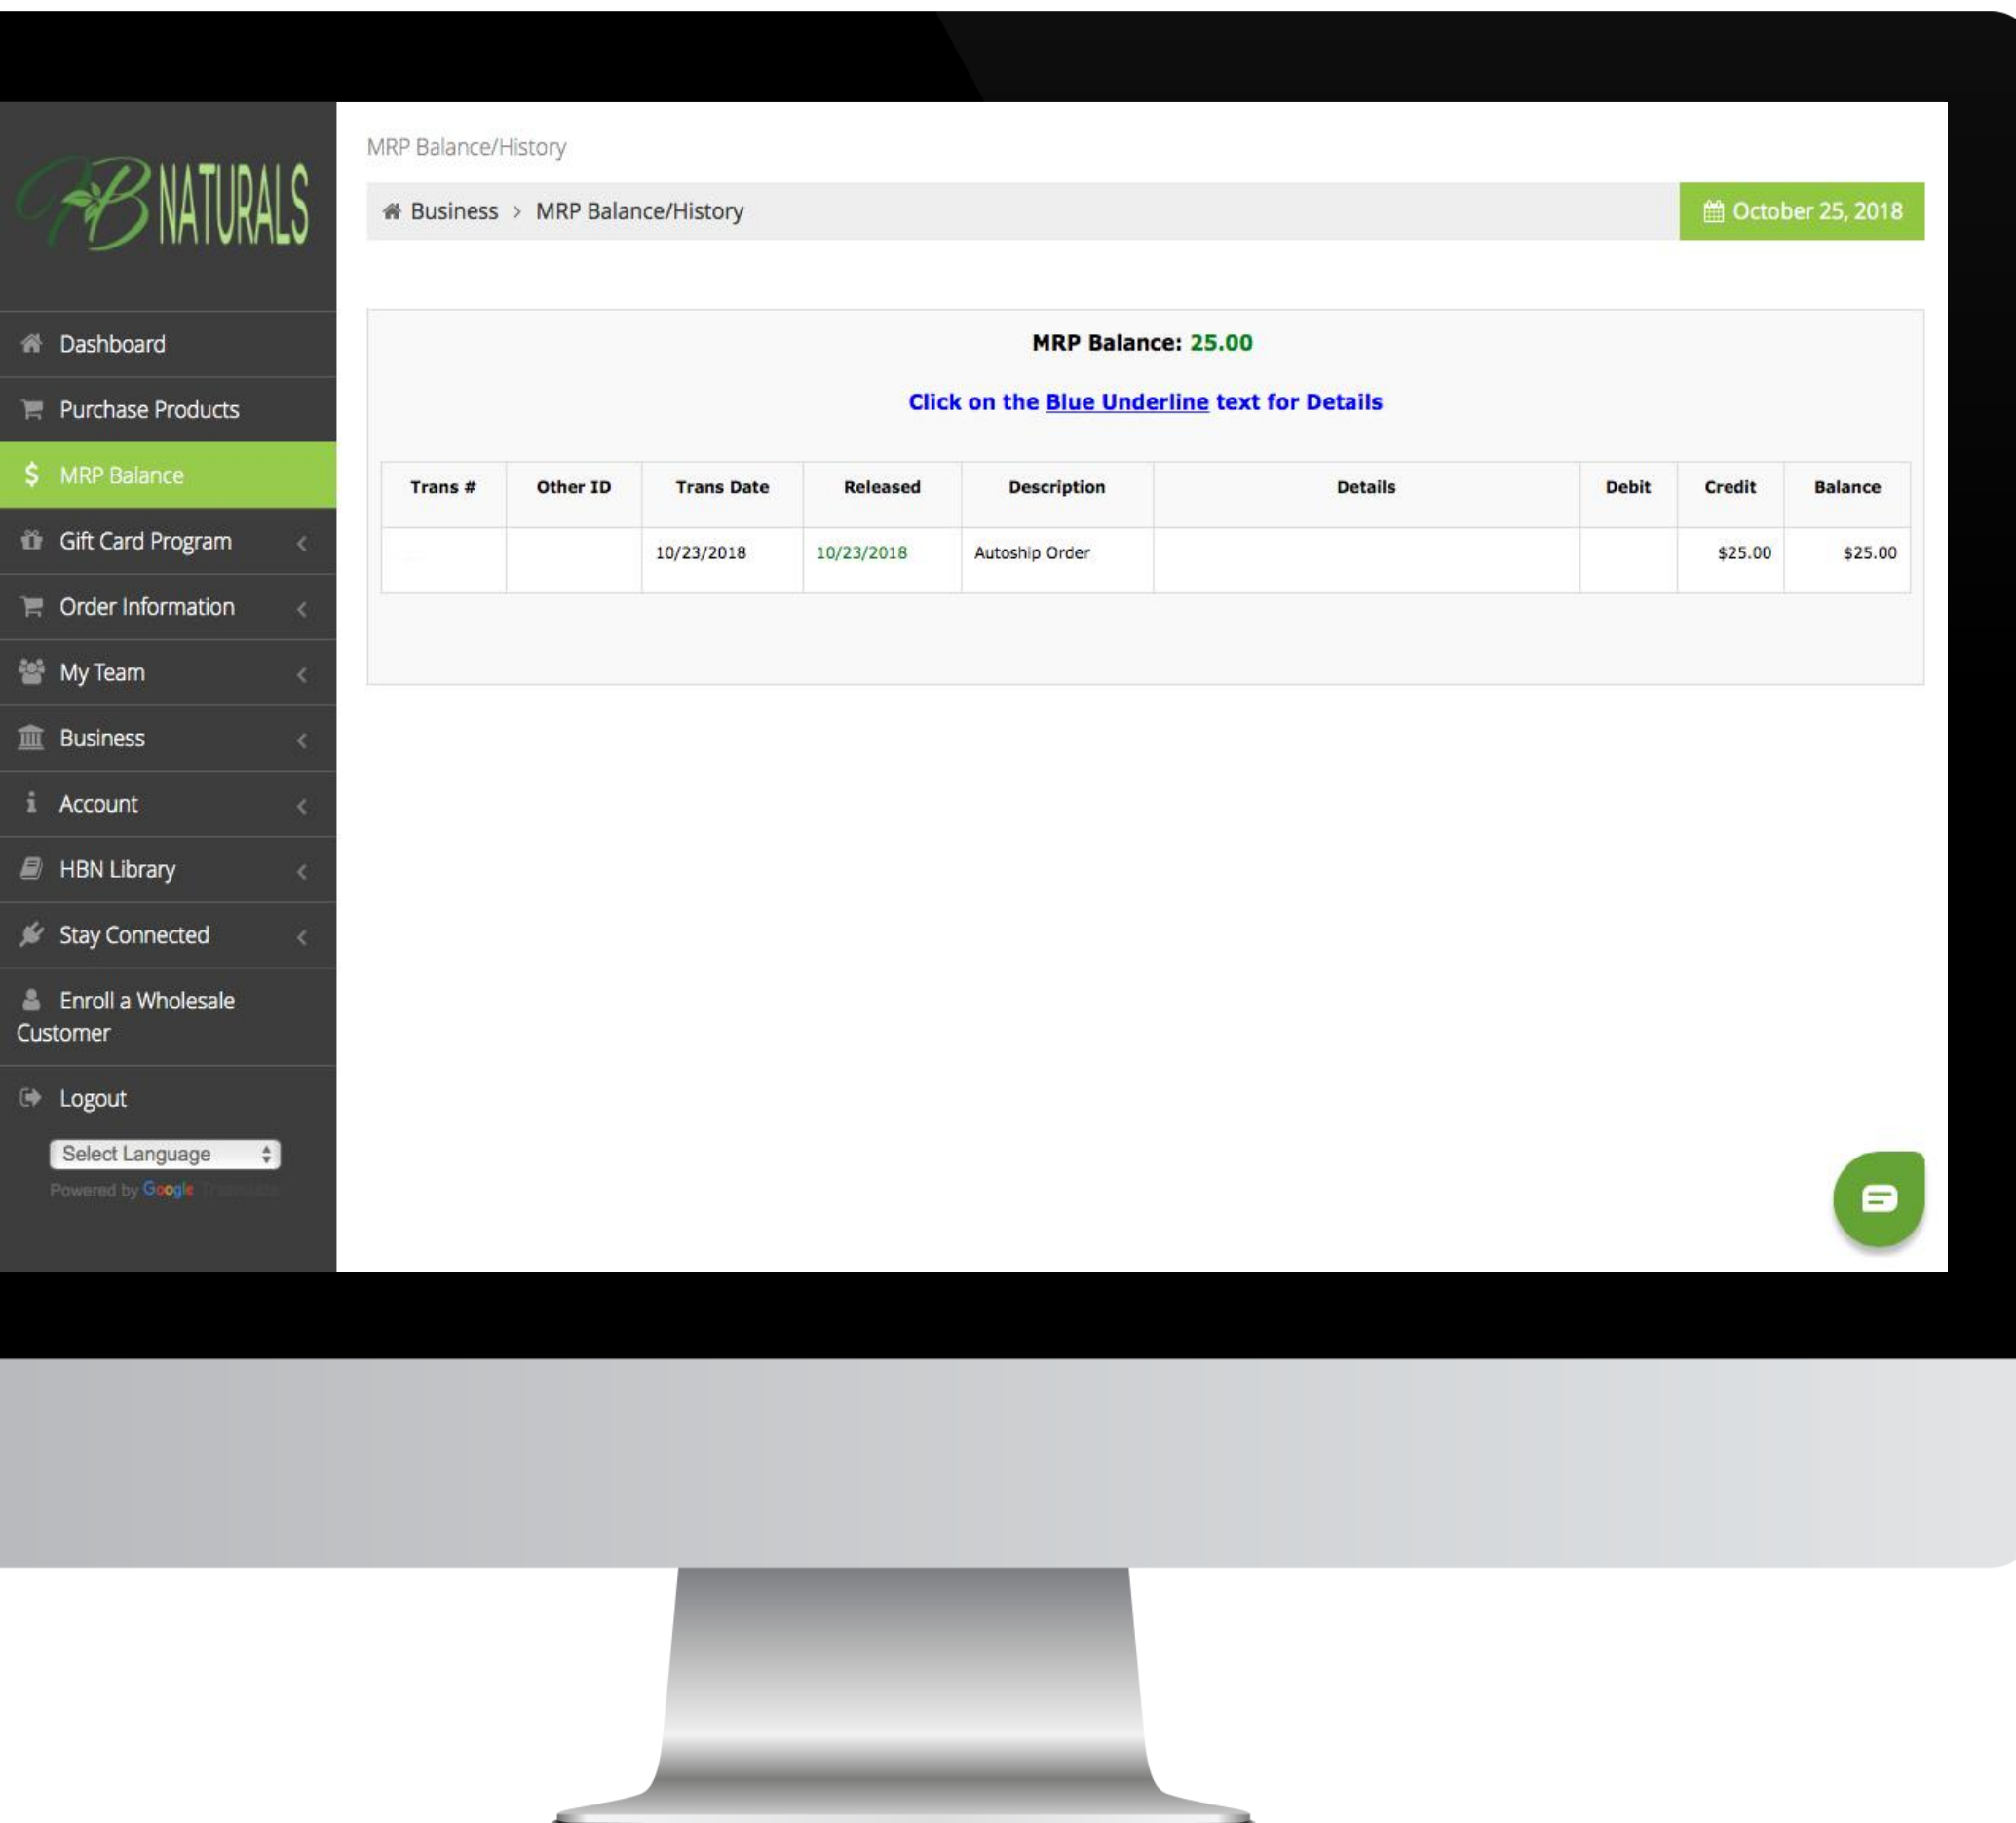

Starting with your first order, and then with future Auto-Delivery orders, you receive 5% of the Commissionable Volume (CV) as MRP product points. The percentage received increases by 5% every 3 months until after 16 months you could be receiving 30% in MRP product points on qualifying Auto-Delivery orders.

The longer you participate in our optional monthly Auto-Delivery program, the more product points you receive!

MRP Balance

Once you have received Member Rewards Points, they will show up in your Back Office under the “MRP Balance” tab on the dashboard menu.

- There is no limit to the amount of points you can receive.
- There is no limit to the amount of points you can redeem.
- There are no restrictions on the products that can be purchased with points.

Redeem Your Points

To redeem your Member Rewards Points (MRP) select “Purchase Products” from the dashboard menu of your Back Office. This will take you to the shopping cart.

If the total of your order is less than the amount of Member Rewards Points that you have in your balance, the option to use them as a payment method will show up during checkout.

CHECKOUT

PAYMENT METHOD

Order Total:

Mark Paid by ADMIN

Mark Paid by ADMIN (No Commissions Paid Upline)

Pay with MRP Balance -

Pay with Credit Card    

- Member Rewards Points cannot be combined with another form of payment.
- Member Rewards Program (MRP) points have no cash value and are non-transferable.
- Member Rewards Program (MRP) point redemption orders have no Commissionable Volume (CV).
- Member Rewards Program (MRP) point redemption orders do not count towards active status or earning qualification purposes.
