ingredients

Sodium Cocoate, Sodium Sunflowerate, Aqua, Sodium Palmate, Sodium Safflowerate, Glycerin, Lavender Grosso (Lavandula hybrid) Oil, Lavender (Lavandula angustifolia) Oil, Alkanet (Alkanna tinctorial) Root, Rosemary Leaf Extract (Rosmarinus Officinalis), Organic Comfrey (Symphytum officinale) Root

suggested use

- Wet bar and rub directly onto hair and body, or rub on hands or a washcloth and apply lather to hair & body. Gently cleanse your body from head to toe. Rinse well; rinse hair with apple cider vinegar if desired.*
- **Hair Technique #1:** Begin with thoroughly wet hair. Gently rub the wet shampoo bar directly onto your hair from scalp to ends in a combing motion. Gently massage scalp and hair, adding more water as needed, until a good lather forms. To prevent tangles, be sure to always work from the top down, don't pile your hair on your head, and use your fingers like a comb not a mixer. Rinse, rinse, rinse! Repeat if necessary. Rinse with apple cider vinegar if desired.*
- **Hair Technique #2:** Begin with thoroughly wet hair. Rub the wet shampoo bar between your wet hands to create a nice lather. Use your fingers like a comb and smooth the lather along the hair. Gently massage it into the scalp and hair, as you would with a bottled shampoo. Work up a good lather. Rinse, rinse, rinse! Repeat if necessary. Rinse with apple cider vinegar if desired.*
