uses

- Add 10-15 drops to ½ cup Pink Himalayan or Dead Sea Bath Salts and mix into warm bath water for an invigorating bath.*
- Add to drinking water for a refreshing burst of citrus flavor.*
- Diffuse to sanitize the air and create an energizing, uplifting environment.*
- Add to household cleaners to boost cleaning power.*
- Apply 1 drop, neat, to strengthen finger nails.*

product summary

An amazing cleanser and purifier, Lemon has been known to be antiviral and anti-infectious. As a result, it is considered the #1 Essential Oil to kill bacteria.*

According to Dr. Jean Valnet, when tested against other Essential Oils for airborne germs, Lemon came out as the number one disinfectant for the air.*

It is also very effective added to household cleaners; it imparts a fresh smell to the kitchen and bathroom while eliminating germs. Add to the dishwasher, laundry, or household cleaners to boost to their disinfectant abilities. Combine with baking soda for a great scouring powder on sinks and countertops.*

Add to food to enhance the flavor of desserts, main dishes, or cool, refreshing drinks. Taking Lemon internally can provide cleansing and digestive benefits.*

responsible cautions

- Lemon essential oil is non-toxic (if organic), and non-irritant. It will however cause the skin to sunburn if exposed to the sun right after application; you should wait several hours, keeping the skin covered, before exposing skin to sunlight.
- Keep out of reach of children and pets.
- If you are pregnant, nursing, or under a doctor's care, consult your healthcare provider prior to use.
- Store away from sunlight, at room temperature, with the lid securely tightened.
