

SLIMMER healthy weight management

Suggested Use: Blend, shake, or stir 1 teaspoon (1 scoop) of SLIMMER into 8 fluid ounces of water, ideally 30 minutes before meals. SLIMMER can be taken up to 3 times per day.

Start with one serving of SLIMMER in the morning for the first three days. If you have a substantial amount of weight to lose, it might be beneficial to drink SLIMMER at breakfast and again at lunch. **The key to success with SLIMMER is consistency and persistency.**

Caution: Because this product may lower blood glucose, consult your healthcare provider before taking this product if you are taking blood glucose lowering medication.
