Belly Detox

Irregular bowel movements are one indication that your colon may not be working optimally. Irregular bowel movements and/or chronic constipation may lead to a condition known as leaky gut. Irritation and inflammation in the lining of the intestines caused by stool build-up leads to undigested food particles and toxins entering the bloodstream. This can lead to a variety of other conditions throughout the body.

The Real Detox Tea supports your body's natural detoxification process as it helps regulate bowel movements and improve colon function. This allows the body to more readily absorb nutrients from food and supplements, which may decrease over-eating and greatly reduce unhealthy cravings.

- Step 1:** Drink The Real Detox tea twice per day.
Step 2: Drink Purge Tonic twice per day.
Step 3: Drink 2 drops of Ease twice per day.
Step 4: Massage 2 drops of Ease over the colon area of the abdomen.
