

LAVENDER ICE

soothing blend

AromaStix

HBNaturals
PRODUCT INFORMATION PAGE

application

Topical • Neat

safety group #2

ingredients

Lavendula angustifolia (Lavender Vera), Mentha piperita (Peppermint), Cocos Nucifera (Fractionated Coconut)

uses

- For headaches apply Lavender Ice to the temples, forehead, over the ear following the hairline, and across the back of the neck. Be careful not to get it too close to the eyes. This can be repeated as needed.*
- Apply Lavender Ice to areas of the body experiencing pain due to tight muscles, strains or sprain, or from blunt trauma such as slamming your finger in a door or stubbing your toe. Gently massage it in. Repeat as necessary.*
- Can be rubbed gently under and on the sides of the nose to assist with nasal congestion. Always wash your hands if you get oil on your fingers as Peppermint has a long lasting presence and you could rub it into your eyes.*

product summary

Headaches are a painful recurring experience for many people. They may be caused by stress, eye strain, allergies, sinus congestion, hormone imbalances, and many other causes.*

Whatever the cause, Lavender Ice may bring the non-prescription, non-drug relief you seek.*

ingredient highlights

- Lavender is well-known for its powerful anti-inflammatory and sedative properties, both of which can assist in resolving headache and migraine issues quickly and naturally.*
- Peppermint has been shown in clinical studies to improve circulation and relax stiff muscles, which may provide relief from tension headaches and migraines.*

responsible cautions

- Not for use on babies or children under age three; on young children be very cautious to keep away from the eyes.
- Not recommended for those with atrial fibrillation.
- Should not be used in conjunction with homeopathic remedies as it may neutralize the homeopathic effects.
- Peppermint oil residue can remain on the fingers even after washing, and can inadvertently be rubbed into eyes or sensitive areas of skin. Applying Peppermint with your little finger will reduce the likelihood of the oil residue accidentally contacting the eyes.
- Keep out of reach of children and pets.
- If you are pregnant, nursing, or under a doctor's care, consult your healthcare provider prior to use.
- Store away from sunlight, at room temperature, with the lid securely tightened.
