Our proprietary, ultra-concentrated solution of Zechstein magnesium chloride is a simple and powerful way to harness the benefits of this vital mineral. Applying magnesium topically is a simple and powerful way to harness the benefits of this essential mineral. Since the skin is our body's largest and most absorbent organ, it provides an ideal pathway for restoring vital minerals. By integrating topical magnesium into your routine, you can effortlessly support your overall health and well-being.

Directions: Apply 3-5 pumps of the magnesium oil directly onto clean skin on areas like your chest, thighs, torso, calves, and feet. Massage until fully absorbed (each pump delivers about 100mg of magnesium). It's normal to notice some salt residue on your skin afterward; you can either leave it on or rinse it off as desired. Any tingling or itching should fade as the oil soaks in.

Ingredients: Purified water, 100% pure magnesium chloride brine from the Ancient Zechstein seabed in the Netherlands
