Powerful Plant Phytoestrogens

Natural Magnesium From Zechstein Seabed

Ultra Concentrated Magnesium Oil Spray

Fast Absorbing, No Additives or Preservatives

4 FL OZ (118.3mL)

Experience holistic comfort and support with our Magnesium Oil & Wild Yam Extract Topical Spray, specially formulated to promote hormonal balance and alleviate the discomfort associated with hormonal fluctuations. Our proprietary, ultra-concentrated solution of Zechstein magnesium chloride infused with wild yam extract and essential oils is a simple and powerful way to harness the benefits of this vital mineral. By integrating topical magnesium into your routine, you can effortlessly support your overall health and well-being.

Directions: Shake well before use. Spray 3-5 pumps directly onto clean skin on areas like your chest, thighs, torso, calves, and feet. Massage until fully absorbed (each pump delivers about 100mg of magnesium and 25mg of wild yam). It's normal to notice some salt residue on your skin afterward; you can either leave it on or rinse it off as desired. Any tingling or itching should fade as the oil soaks in.

Ingredients: Purified water, 100% pure magnesium chloride brine from the Ancient Zechstein seabed in the Netherlands, wild yam rhizome (*Dioscorea villosa*) extract, certified organic cane alcohol (57-67%), *Pelargonium graveolens* (Rose Geranium) Flower Oil, *Citrus sinensis* (Blood Orange) Fruit Oil, *Citrus paradisi* (Pink Grapefruit) Fruit Oil, Organic *Lavandula angustifolia* (Lavender Vera) Flower Oil, *Salvia sclarea* (Clary Sage) Leaf and Flower Oil, *Jasminum grandiflorum* (Jasmine) Flower Oil, *Angelica archangelica* (Angelica) Root Oil

Cautions: Use only as directed. For external use only. If you are pregnant, nursing, or under a doctor's care, consult your healthcare provider prior to use. This spray does not contain added estrogen or progesterone. Do not apply on open wounds, irritated skin, recently shaven skin, or broken skin. Avoid contact with eyes and mucous membranes. Keep out of reach of children and pets. Discontinue use if irritation occurs.
