product summary

Well known for its health and beauty benefits, our cold pressed, unrefined, hexane-free Castor Seed Oil is an all-in-one cosmetic and self-care oil that can be used from head to toe. It is an excellent moisturizer, natural makeup remover, and nourishing serum for skin, hair, lashes, and brows.*

Castor Seed Oil has been a wellness cabinet and beauty regimen staple for centuries in many different cultures worldwide. It contains powerful nutrients like Vitamin E, omegas, and polyphenols, and ricinoleic acid, a fatty acid that has been shown to help reduce inflammation.*

Traditionally used as a stimulant laxative, our food-grade Castor Seed Oil may assist with pain relief, microbiome balance, nourishing and moisturizing skin, promoting hair growth, supporting the immune system, aiding constipation, and assisting relaxation for more restful sleep.*

Our organic, cold pressed, unrefined Castor Seed Oil is 100% pure, vegan, hexane-free, and food grade. It can be diluted with other carrier oils, or used in pure form, undiluted. May be applied to the feet, belly button, or used as a pack.*

suggested usage

- Apply to rough or dry areas of the skin as needed.*
- Apply a small amount to hair or eyebrows, leave overnight, and rinse thoroughly in the morning.*
- Use as a soothing massage oil or combine with other natural ingredients to create castor oil packs, face and hair masks, exfoliant scrubs, nail and cuticle treatments, and more.*
- **To Use As A Castor Seed Pack:** Saturate a 2 to 4 inch thickness of soft flannel cloth with Castor Seed Oil. Place cloth over desired area on body and cover with plastic wrap or wax paper. Apply heat with hot water bottle or heating pad on low. Leave in place at least one hour, or overnight if necessary.*

product summary

Cellulite is the term for fatty deposits beneath the skin that result in the appearance of lumpy, dimpled flesh generally found on the thighs, hips, buttocks, and belly.*

Cellulite is one of the harder types of fat to lose. You can lose inches and pounds, yet still suffer from this type of fat that creates unsightly dimpled skin. It is estimated that between 80 and 90 percent of women may experience cellulite at some point in their lives.*

Many believe that the cellulite contains toxins from our environment and beauty products such as petrochemicals, pesticides, and heavy metals.*

ingredient highlights

- Pink Grapefruit has been shown to increase metabolism, help suppress appetite, dissolve fat, prevent bloating and reduce water retention. Pink Grapefruit contains nootkatone, a natural organic compound that triggers a vital protein/enzyme in the liver and musculoskeletal system to boost physical performance and metabolism.*
- Lemon helps to remove toxin build-up from the body, increases energy levels, and supports healthy digestion. Research has shown that inhaling the scent of lemon can boost your mood and promote the breakdown of body fat.*
- Lemongrass is well known for its circulation-boosting properties as well as its ability to reduce fluid retention. It also offers astringent and antiseptic properties that help promote healthy, radiant skin.*
- Ginger Root has powerful detoxifying and invigorating qualities that may be helpful in reducing cellulite.*
- Cypress contains properties that act to strengthen and tone the circulatory and nervous systems while relieving circulatory and lymphatic congestion. It may assist to prevent the spread of varicose veins, hemorrhoids, and edema, especially in the lower limbs.*
- Juniper Berry helps improve blood circulation and decrease water retention, thereby assisting in the removal of toxins in the body. It also acts as a natural skin toner, and reduces the appearance of skin blemishes.*

uses

- Apply onto areas of concern and massage in twice per day to assist in reducing the appearance of cellulite.*

product summary

It's believed that nearly 90% of women and 10% of men will suffer from cellulite at some point in their lives. Cellulite creates unsightly, dimpled skin, and is one of the hardest types of fat to lose.

Most common around the thighs and buttocks, cellulite can be found on the breasts, abdomen, and upper arms as well. Weight gain may make cellulite more noticeable, but even women who are otherwise slender and fit can have cellulite. It's most common in adult women, and becomes even more common with aging as estrogen levels decrease and the skin loses elasticity.

Tone Smoothing & Firming Cream is a lightweight, non-greasy formula in a luxurious lotion base that includes Aloe Vera Leaf Juice Powder, Hemp Seed Oil for its incredible moisturizing properties, antioxidant-rich Black Seed Oil that contains both Omega-3 and Omega-6 fatty acids, and essential oils known to be helpful in reducing the appearance of unsightly cellulite. Perfect for daily use after your shower or bath.

ingredient highlights

Hemp Seed Oil: Reputed to be the most unsaturated oil derived from the plant kingdom, Hemp Seed Oil is a great moisturizer for dry, cracked skin without being so heavy that it clogs pores. It's rich in plant-based phytonutrients and anti-aging antioxidants like Vitamin E which can help reduce the appearance of stretch marks and cellulite when used regularly.

Black Seed Oil: Used in skincare routines, beautifying baths, and medicinal applications for thousands of years, Black Seed Oil has strong antioxidant and anti-inflammatory properties. It can promote reparation and regeneration of the skin, giving a smoother, clearer complexion. It also helps keep the skin elastic while fighting damaging free radicals.

Pink Grapefruit: Like many citrus oils, Pink Grapefruit has a unique "fat dissolving" characteristic, and is well known for reducing cellulite. Additionally, the pleasing aroma has laboratory-confirmed appetite reducing effects.

Juniper Berry: Known for promoting elimination of uric acid and helping to ease pain from gout and arthritic or rheumatic conditions, Juniper Berry is a powerful purifier to assist with hemorrhoids, menstrual issues, cellulite, lymphatic drainage, and fluid retention.
